GOVERNMENT OF INDIA.

FINANCE AND COMMERCE DEPARTMENT.

No. 1677 S. R., Simla, the 10th April 1902.

From—R. A. MANT, Esq., Under-Secretary to the Government of India,

To—The Secretary to the Government of Madras, Revenue Department.

I am directed to acknowledge the receipt of your letter No. 44 Revenue, dated the 8th January 1902, regarding the stamp duty to be charged on exploring and prospecting licenses granted under the mining rules in force in the Madras Presidency.

2. It appears that these licenses provide for the payment to Government by the licensee by way of royalty of a certain percentage of the value of the minerals discovered or outturned in the course of operations, in addition to a premium or surface-rent reserved under the lease, and that the licenses are held to be chargeable with *ad valorem* duty as leases under article 35 of schedule I to the Indian Stamp Act, II of 1899. As difficulty is experienced in assessing the duty owing to the uncertainty of the outturn, it is proposed that in future a fixed stamp duty should be imposed on these instruments.

3. In reply I am to say that, in the opinion of the Government of India, exploring and prospecting licenses are not leases for purposes of the definition in section 2, sub-section (16), of the Indian Stamp Act, II of 1899. A license does not become a lease, merely because a rental is reserved. These licenses are chargeable as agreements with a stamp duty of eight annas under article 5 (b) of the first schedule to the Indian Stamp Act, II of 1899.

Copy of correspondence forwarded to other Local Governments and Administrations and to the Revenue and Agricultural Department for information.

By order,

R. A. MANT,

Under-Secretary to the Government of India.

RESOLUTION—No. 125, dated Fort William, the 14th January 1881.

Under chapter VI of the Indian Stamp Act, 1879, provision is made for the renewal or refund of the value of stamps spoiled or rendered useless, or which for any reason are not required by the possessor, on the condition that application for such renewal or refund shall be made within six months from the date on which the stamp was spoiled, or on which it was rendered useless, or on which it was purchased.

Instances have occurred in which this limit has operated as a serious hardship. Without any fraudulent motive, holders of spoiled or

* That is, the "British Dollar" and the "Mexican Dollar" which are in current use in the Straits Settlements and elsewhere.

useless stamps are sometimes unavoidably prevented from applying for refund or renewal within the prescribed period, and so cannot, under the provisions of the Act, obtain any relief. In such cases an order of the Government of India is now necessary before refund can be sanctioned. For the future the Governor General in Council authorizes Local Governments to allow refunds or renewals of spoiled or useless stamps or the re-purchase of stamps not required, provided that application for renewal or refund be made within one year from the date of purchase of the stamps, or one year from the date on which the stamp has been spoilt or rendered useless.

Ordered that the foregoing Resolution be communicated to several Local Governments and Administrations for information and guidance.

Resolution in the Department of Finance and Commerce, No. 132, dated the 11th January 1888.

Letter from the Government of Bengal, No. 269 T. F., dated the 29th September 1891.

RESOLUTION—By the Resolution of the 10th July 1884, Collectors were authorized, under certain conditions, to repay to stamp vendors or their representatives the values of non-judicial or Court-fee stamps not spoiled or rendered useless, returned into the Collector's Store, after deduction of any sum paid as discount on the sale of such stamps to the vendors. This order, so far as it related to the case of Court-fee stamps, was superseded by the Resolution of 26th December 1884, and the latter was in its turn rescinded by the Resolution of 11th January 1888, which prescribed a deduction of one anna in the rupee when the value of Court-fee stamps was refunded. The rule regarding the refund of the value of non-judicial stamps to vendors has, however, remained unchanged, so that a refund granted to them under the existing rules is subject to a deduction in the case of Court-fee stamps of one anna in the rupee, and in the case of general or non-judicial stamps, of the discount allowed on the sale of the stamps to the vendor.

2. The Government of Bengal points out that there appears to be no reason for this inequality of treatment, and suggests that the rules regulating refunds of the value of the two classes of stamps should be

assimilated. The Governor-General in Council agrees in this view, and in supercession of the orders of the 10th July 1882, so far as they relate to non-judicial stamps, it is now ruled that when a licensed vendor surrenders his license or dies, the Collector may, at his discretion, if he considers that the circumstances justify the application, repay to him or to his representative, the value of non-judicial stamps not spoiled or rendered unfit for use, returned by the Collector's store, deducting one anna in the rupee, or he may issue stamps of other values in exchange.

ORDER.—Ordered that this Resolution be communicated to the Government of Bengal and to all other Local Governments and Administrations for information and guidance.

RESOLUTION.—The Resolutions of 11th January 1888 and 27th October 1891 authorize the refund of the values of judicial and non-judicial stamps sold to a licensed vendor (subject to certain conditions and to a deduction of one anna in the rupee, when he surrenders his license or when he dies

2. In April 1892 the Government of Bengal pointed out that the rules prescribed in those Resolutions do not provide for the rate of deduction to be made from the values of stamps refunded to a vendor when stamps are called back from him on public grounds, or when his license is revoked.

In these cases the rules in force in Bengal provide that the vendor shall receive back the value of the stamps returned, less any discount which may have been allowed thereon, and it was suggested that this rule should be assimilated to that which applied to the cases mentioned in paragraph I, the deduction on refund being made at the rate of one anna in the rupee.

3. Local Governments and Administrations were asked to state the rules at present in force on the subject, and whether they concurred in the proposals made by the Government of Bengal. From the replies received it appears that the rules in the several provinces are not uniform, and that, while the majority of the Local Governments advocate the proposed deduction in all cases of one anna in the rupee on grounds of uniformity and administrative convenience, others object to it in some cases as being inequitable and unnecessarily hard.

4. It appears to the Governor-General in Council that there is no good reason for treating all cases of the return of stamps in the same way. In some cases the taking back of the stamps is a concession on the part of Government, and it may take them back on any terms that it thinks fit to prescribe; but in cases in which the stamps are recalled for the convenience of Government, it does not seem equitable to levy a fine on the licensed vendor. These latter cases are admittedly few, and there can be but little administrative inconvenience in having a special rule to meet them.

5. It seems, however, to be desirable that there should be a uniform treatment of the same cases in the different Provinces, and the Governor-General in Council is therefore pleased to rule, in continuation of the rulings laid down in the Resolutions of 1888 and 1891, that when stamps are returned into the Collector's Store on—

- (1) resignation of the vendor's licensee,
- (2) revocation of license for any fault of the licensee,
- (3) death of the vendor,
- (4) application of the vendor for leave to restore any stamps,

the stamps should be taken back at their full value less a deduction of one anna in the rupee; but that when they are returned on—

- (5) expiration of license,
- (6) recall of stamps by Government,
- (7) revocation of license for any other cause than that mentioned in (2),

they should be taken back at their full value, less only any discount allowed on their sale to the licensed vendor.

6. The Local Governments should frame or amend their rules in accordance with this decision.

ORDER.—Ordered that copy of the Resolution be communicated to all Local Governments and Administrations for information and guidance.

Letter from the Government of the North-Western Provinces and Oudh, No. 253, dated the 30th September 1898.

OBSERVATIONS.—By the Resolution of 14th January 1881, No. 125, Local Government, in cases in which holders of spoilt or useless non-judicial stamps had, without any fraudulent motive, been unavoidably prevented from making application within the period prescribed by law, were empowered to allow refunds or renewals of such stamps, provided that application was made within one year from the date of purchase of the stamps, or from the date on which the stamps were spoilt or rendered useless.

In the first three letters, read in the preamble, the above power was delegated to the Commissioners of Divisions in the Bombay Presidency, to the Superintendent of Stamps, Bombay, and to the Political Resident at Aden; and in the letter of 28th January 1887, No. 434, the Government of Bengal was authorized to delegate the same power to the Board of Revenue and also to Commissioners of Divisions when necessary.

It is now proposed by the Government of the North-Western Provinces and Oudh that authority should be given to Local Governments to delegate to any subordinate authority at their discretion the power to extend the period of application for refunds or renewals on account of non-judicial stamps as above.

RESOLUTION.—The Governor-General in Council is pleased to authorize Local Governments to delegate to any subordinate revenue authority above the rank of a Collector the power to deal with applications for refunds or renewals of spoilt or useless non-judicial stamps, under the conditions and within the limits prescribed by Resolution No. 125, dated 14th January 1881.*

ORDER.—Ordered that this Resolution be communicated to all Local Governments and Administrations for information and guidance.

* The Chief Commissioner has delegated this power to the Commissioners, Ajmer-Merwara (vide Chief Commissioner's letter No. 186, dated 21st January 1896).

NOTIFICATION—No. 899, dated Abu, the 7th August 1891.*

With reference to this office Notification No. 189, dated the 18th March 1882, and in exercise of the powers conferred by section 55 of the Indian Stamp Act, 1879, the Chief Commissioner, with the previous sanction of the Governor-General in Council, is pleased to issue the following rules for the guidance of treasury officers and stamp vendors in Ajmer-Merwara :—

1. When an application for an impressed stamp of a certain value is made at a treasury or to a licensed stamp vendor, and the officer in charge of such treasury or such stamp vendor is unable to furnish a single stamp of that value, he, in furnishing the smallest number of such stamps of lower values as would make up the required amount, shall certify that he is unable to furnish a single stamp of the required value.

2. No certificate shall be granted under the above rule by a stamp vendor in any case in which the stamp required exceeds the highest value of the stamps which such vendor is authorized to sell; nor, if at the place where he is authorized to sell stamps, there is a treasury.

NOTIFICATION—No. 1125, dated 17th September 1903.

R., dated the 27th March 1895, as amended by Resolution No. 2655-S. R., dated the 13th June 1899, for the custody, supply and sale of all kinds of stamps and stamped papers, are published for general information.

RULES FOR THE CUSTODY, SUPPLY AND SALE OF STAMPS OF ALL DESCRIPTIONS, NAMELY GENERAL STAMPS USED TO DENOTE THE DUTIES PAYABLE UNDER THE STAMP ACT, 1899; COURT-FEE STAMPS USED TO DENOTE THE FEES PAYABLE UNDER THE COURT FEES ACT, 1870; TELEGRAPH STAMPS AND POSTAGE STAMPS.

CENTRAL DEPÔTS.

1. There shall be three central depôts for stamps of all descriptions in charge of the Superintendents of Stamps at Calcutta, Madras

* See Gazette of India, Part II, for 1891, page 443.

and Bombay, respectively. These central depôts shall maintain a stock of stamps sufficient for two years' consumption. The Superintendents of Stamps in Madras and Bombay shall, for this purpose, forward not later than the last week in September in each year indents for the supply of the various descriptions of stamps required in the following year for the territories dependant on them for the supply of stamps to the Superintendent of Stamps, Calcutta. The Superintendent of Stamps, Calcutta, shall prepare a general consolidated indent for stamps of all descriptions, showing separately the demand for the following year for each of the three presidencies, including in it the indents of the Superintendents of Stamps, Madras and Bombay; and shall forward this general indent to the Government of India in the Finance Department for transmission to the Secretary of State so as to reach him not later than the 1st November in each year. The Superintendent shall forward a copy of the section of the general indent relating to Postage stamps to the Director-General of the Post Office, and of the section relating to Telegraph stamps to the Director-General of Telegraphs.

2. Stamps for the Bengal Presidency, including the North-Western Provinces and Oudh, the Punjab, Central India, Rajputana, Assam and Burma, and local depôts subordinate to Calcutta, and stamps for copies for use in the Central Provinces, shall be supplied from the central depôt, Calcutta, on the indent of officers in charge of local depôts.

3. Stamps for the Madras Presidency, including Coorg, and local depôts subordinate to Madras, shall be supplied from the central depôt at Madras, on the indent of the officers in charge of local depôts.

4. Stamps for the Bombay Presidency, including Sind, Berar, the Central Provinces (save as provided in Rule 2), and local depôts subordinate to Bombay, shall be supplied from the central depôt, Bombay, on the indent of officers in charge of local depôts.

5. The Superintendents of Stamps, Calcutta, Madras and Bombay, on receiving an indent from a local depôt, shall have the indent examined to ascertain that the indent is such as to insure the local depôt having a proper supply, and may comply with the indent in full or in part as he thinks fit. If he thinks that the indent should be increased, he should request the officer who submitted the indent to submit a supplementary indent. The Presidency Post Offices of Calcutta, Madras and Bombay may indent for supplies on the central depôts.

LOCAL DEPÔTS.

6. Every Treasury throughout India, including those attached to political and salt agencies, shall be a local depôt for the custody and sale of stamps of all descriptions. Local Governments may establish local depôts at places where there is no Treasury.

7. Each local depot shall, unless the Local Government otherwise directs, maintain a supply of stamps equal to the probable consumption of five months. Local Governments may direct that the supply

to be maintained either generally or in respect of any particular kind of stamp or in certain local depôts shall be equal to the probable consumption of such other period as they deem expedient.

8. As soon as the number of stamps in the local depôt falls below the number issued from the depôt in the preceding six months, the officer in charge of the depôt shall prepare an indent for a supply equal to the probable consumption of three months. The indent shall show in separate columns for each denomination of stamp of which a supply is required the total of the balance in the local depôt and any branch* depôts subordinate to it, the quantity sold in the preceding six months, and the quantity indented for, which should be approximately one-half of the quantity sold in the preceding six months. The periods of "six months" and "three months" of this rule may, like that of five months in rule 7, be altered by Local Governments to such other periods as they may deem expedient. This indent will be forwarded direct to the Superintendent of Stamps, Madras, Bombay or Calcutta, as the case may be; but the Local Government of any Province may direct that the indents shall be forwarded through any other officer, such as the Superintendent of Stamps of the Province, or that a copy of the indent shall be forwarded to such officer.

9. If the supply of stamps in any local depôt should run short before the receipt of the supply from the central depôt, the officer in charge of the local depôt should indent for a supply from a neighbouring depôt, sending a copy of the indent to the Superintendent or Commissioner of Stamps of the Province, or such other officer as the Local Government may direct. It is the duty of the Superintendent of Stamps, Madras, Bombay or Calcutta, to report to the Local Government (or such authority as the Local Government may direct) in the case of General and Court-fee stamps, to the Director-General of the Post Office in the case of Postage stamps, and to the Director-General of Telegraphs in the case of Telegraph stamps, any case in which it may come to his knowledge that the stock of stamps in any local depôt of any description has fallen below the prescribed amount.

10. As soon as possible after the arrival of a supply of stamps from the central depôt or from another local depôt, the officer in charge of the local depôt shall *personally examine the outward appearance of the boxes or packets and satisfy himself that they bear no marks of having been tampered with. He shall then have the boxes or packets opened in his presence, and the contents of each box or packet counted either by himself, or in his presence, immediately on its being opened. At the head-quarters of a district, where the Treasury is the local depôt, the boxes or packets should invariably be placed immediately on arrival in the strong room of the Treasury and there opened, one at a time, in the presence of the Treasury Officer, who must be present all the time the boxes or packets are being opened, and their contents examined and counted.*

* For branch depôts the figures of the latest periodical return received at the local depôt showing details of stamp balances, may be used for the purpose of calculating the total required for entry in each column.

In no case must a second box or packet be opened until the contents of the first have been completely examined and verified and placed in the proper receptacles as required by rule 13. The number and value of stamps received shall be compared by the officer in charge with the invoice submitted or with the parcel ticket and a receipt shall be sent as soon as possible to the officer who sent the stamps.

11. Local Governments may issue such orders as may be thought necessary regarding the detailed counting of stamps received in a local depot, and as to the descriptions of stamps which the officer in charge must count with his own hands. Such orders may include instructions that a certain percentage only of sealed packets marked as containing a certain number of stamps need be opened and counted at the time of receipt, and the remainder, if the percentage opened are all found correct, left with seals unbroken to be counted as they are required on being given out from double lock. The officer in charge is responsible for observing any such instructions, and for satisfying himself as to the number of stamps received before signing the receipt. *The inside covers of packets of stamps which bear the initials of the officers through whose hands the packets passed before issue from England should invariably be preserved till the whole contents of the packets have been examined and found correct.*

12. If any of the stamps received are found to be unfit for issue, they should be at once returned to the Superintendent of Stamps. Stamps which are through any accident rendered unfit for issue at any time after receipt should be similarly returned to the Superintendent as soon as their unfitness is discovered. The necessary entries on account of stamps so returned should be made in the monthly statement (rule 33), and in the *plus and minus* memoranda (rule 36).

13. Immediately after the stamps received have been counted, they shall be placed in proper receptacles in the store under double lock in the presence of the officer in charge, arranged in parcels and packets containing known quantities, the amount and value of each denomination being entered at the same time in a register* maintained to show the receipts and issues to and from the store under double lock. *These entries shall be checked by the officer in charge at the time the stamps are deposited, and the correctness of the arithmetical calculations of additions to balance, as well as of the values compared with quantities,† shall be verified and initialled by him at the time. The register shall then be placed with the stamps in the double lock receptacles and shall not be removed therefrom, nor shall any entries be allowed to be made therein except in the presence of the officer in charge.*

* Double lock Stamp Store Register, as recommended by the Punjab Government.

† *N.B.*—In all cases where stamp registers have to be checked, the actual check of quantities against values is a very important one; the correctness of the calculations of value must be tested in detail either by actual multiplication or by use of correctly prepared tables, and this check should never be omitted. This remark applies also to such of the following rules as prevent a check of this kind. It is not necessary that the complete checking should be done by the officer himself. It will be sufficient if the officer personally check to per cent. of the entries in each class of stamps, leaving the remaining entries in each class to be checked by a subordinate up to his superior's sign.

14. The Treasurer, or such other officer as the Local Government may direct, shall be the *ex-officio* vendor of all descriptions of stamps in each local-dépôt. Sales to the public or to licensed vendors shall not be made direct from the stores under double lock, such sales being made by the *ex-officio* vendor from the supply entrusted to him for this purpose to be kept by him under single lock as prescribed in the following rules.

15. The stock to be made over to the *ex-officio* vendor to be kept by him under single lock should ordinarily be sufficient for the probable demand of one month. *The ex-officio vendor will maintain a register of receipts and issues from single lock in the same form as the double lock register, and on a fixed date near the beginning of each month he will prepare an indent for the quantity required for the month in a form showing the balances in his hands, an average month's consumption and the quantity required. When this indent is presented to the officer in charge, he will examine the single lock register, check the correctness of the arithmetical calculations made therein and compare the balance shown with the actual balance in the ex-officio vendor's hands. If he approves the indent, he shall then give out the quantity required from the store under double lock, check the correctness of the entries made in the double lock register, see that they correspond with those made in the single lock register, initial both registers and return the double lock register into the double lock store. The same procedure shall be followed if any stamp should be required at any intermediate date. Local Governments may reduce the period of one month mentioned in this rule to one week, or any other period less than a month, if they consider this desirable, with reference to the amount of the Treasurer's security or for any other reason.*

16. From the stock so made over to his charge and kept by him under single lock, the *ex-officio* vendor shall sell stamps to the public and to licensed vendors for cash. He shall *maintain the single lock register in the form mentioned in the preceding paragraph in such language as the Local Government may direct, entering therein both in quantities and values the receipts from double lock, the daily sales and balance in his hands of each denomination at the end of each day. He shall pay daily into the Treasury the cash received by him for stamps sold, the amount realised on account of each of the four descriptions of stamps—namely, General, Court-fees, Postage, and Telegraph—being paid in separately. The account of the daily sales should be inspected and the correctness of the calculations shown therein checked every day by the officer in charge of the dépôt.*

17. The rules regulating the grant of discount and the grant of licenses to licensed vendors for the sale of General and Court-fee stamps vary in different Provinces, and are prescribed by Local Governments, subject to the general rule that no change in the rates of discount shall be made without the previous sanction of the Governor-General in Council.

18. Local Governments may direct that the sales to the public of General and Court-fee stamps by *ex-officio* vendors shall be limited to

stamps of a value higher than a named amount, the sale to the public of stamps of lower value being left to licensed vendors.

19. Telegraph stamps shall be sold to the public for cash by the *ex-officio* vendors, provided that the quantity of stamps sold to one person at one time shall not be less in value than Rs. and that the quantity sold shall not include less than one rupee worth of any particular denomination. On such sales no discount is allowed.

20. Telegraph Masters shall obtain supplies of Telegraph stamps from the local depôts, subject to the same conditions in regard to the quantity supplied at one time as those of the preceding rule, and shall sell to the public Telegraph stamps of all descriptions and to any value. No discount is allowed to Telegraph Masters for the sale of stamps; but they are allowed permanent advances of Telegraph stamps without payment, the amount of the permanent advance being fixed by the Director-General of Telegraphs. When the permanent advance of Telegraph stamps has once been taken, subsequent issues to Telegraph Masters are made only on cash payment. But when the local depôt is closed for holidays of more than one day's duration, officers in charge of local depôts are authorized to issue Telegraph stamps to Telegraph Masters without payment in excess of the value of the permanent advance, these temporary advances being adjusted when the Treasury re-opens by the return of the stamps, or the payment of their value if sold.

21. Service postage stamps shall be sold for cash from local depôts to Government officials and to persons specially authorized to purchase and use Service stamps on a written application. On such sales no discount is allowed.

22. Ordinary postage stamps shall be sold to the public for cash from local depôts, provided that the value sold to any person at one time shall not be less than Rs. and shall not include any fraction of a rupee, and that embossed envelopes and post-cards shall be sold in complete packets only. No discount is allowed on such sales. Soldiers' envelopes are sold from certain selected local depôts only to Commanding Officers in complete packets, no discount being allowed.

23. The officer in charge of every post office, receiving office, taluk, thána and police station at which letters are received for despatch, and every person licensed under the rules framed under the Stamp Act, 1899, to sell General stamps, are required to keep a supply of ordinary postage stamps, for sale to the public, sufficient for the probable demands of one week. To such persons ordinary postage stamps, except soldiers' envelopes, are sold from local depôts for cash on the same conditions as to quantity as those prescribed in the preceding rule; and on such sales discount at the rate of quarter of an anna in the rupee is allowed.

NOTE.—In the case of all stamped envelopes or postal wrappers the discount or commission is calculable on the face value of the stamp.

A special extra commission of quarter anna in the rupee has been sanctioned, with effect from 11th November 1892, on all sales of the large size registration envelopes.

24. The officers in charge of post offices, receiving offices, tahsils, thánas and police stations at which letters are received for despatch, are also required to keep a supply of one anna revenue stamps for sale to the public. To such officers one anna revenue stamps are sold from local depôts on the same conditions as to quantity as those prescribed in rule 22. On such sales discount at the rate of one anna in the rupee is allowed.

25. A District Officer may authorize the grant of discount at the rate of quarter of an anna in the rupee to any *bonâ fide* retail vendor of ordinary postage stamps, provided he is not employed in a Government Treasury. Such authority shall be in writing, and shall remain in force for one year. It may contain conditions in all or any of the following respects, namely, the maintenance of a sufficient supply of stamps of all or any specified denominations of postage stamps for retail sale; the sale of the stamps at one or more particular shops or places, and the prohibition of sales at other shops or places; and the days and hours of sale. The District Officer shall keep a register showing the name, residence and occupation of every person to whom he grants such authority.

26. Superintendents and Inspectors of Post Offices within their respective jurisdictions and any other officers of the Post Office authorized in that behalf by the Postmaster-General or Deputy Postmaster-General, are empowered to examine the stock of postage stamps kept by any of the persons required or authorized to keep postage stamps for sale to the public under rules 23 and 25.

BRANCH DEPÔT.

27. Every subordinate branch or tahsil treasury shall be a branch depôt for the sale of stamps of all descriptions. But in any case where the sale of stamps from such a branch depôt is insignificant and equal facilities exist for the supply of stamps from a depôt, in the same station as the branch depôt, the Local Government may direct the closing of the branch depôt.

28. The Sub-Treasurer, or such other officer as the Local Government may direct, shall be the *ex-officio* vendor of stamps at a branch depôt.

29. The officer in charge of the branch depôt shall obtain his supplies from the local depôt to which the branch depôt is subordinate, in the same manner as the *ex-officio* vendor at the local depôt obtains his supplies, except that the indent and the stamps must be sent by post or messenger to and from the local depôt, and that the examination of the balance in hand and the comparison of the amounts shown with those shown in the indent shall be done by the officer in charge of the branch depôt. In cases where there is likely to be a distinct saving of cost or greater security of the stamps in transit, the Local Government may empower the Board of Revenue or other superior revenue authority to sanction the despatch of stamps direct from the central depôt to branch depôts, such supplies being passed through the accounts of the local depôt and treated by the Superintendent of Stamps as supplies to the local depôts to which the branch depôts are subordinate.

The receipt and examination of stamps on arrival from a local, central or other depot should be conducted in the manner laid down in rule 10.

The *ex-officio* vendor shall obtain his supplies from the officer in charge of the branch depot in the same manner as the *ex-officio* vendor at the local depot obtains his supplies from the officer in charge.

30. The supply to be kept in a branch depot should be equal to the probable demand for three months; but Local Governments may direct that the supply shall be equal to the demand of any other period instead of three months which they may consider expedient. The stock should be kept up to this amount by indenting and obtaining supplies from the local depot from time to time as may be necessary.

31. Local Governments shall fix the period a supply sufficient for which shall be kept under single lock by the *ex-officio* vendor, and the remainder of the stamps in the branch depot shall be kept under double lock of the officer in charge of the branch depot and of the *ex-officio* vendor, and given out to single lock as required.

32. Sales from branch depots will be made, subject to the same rules as those from the local depots.

officer in charge of each local depot will count, or have counted in his presence, the stamps in his depot, both those under double lock and those under single lock, and will require the officers in charge of the branch depots subordinate to him similarly to count the stamps in the branch depot. He will attach to the monthly statements for September and March rendered to the Superintendents of Stamps, Calcutta, Madras, or Bombay or in the Provinces noted in the margin, to the Local Superintendent or Commissioner of Stamps or other officer named by the Local Government, a certificate in the following form:—

I do hereby certify that I have personally examined and counted, or had counted in my presence, the stamps of all descriptions in store in this local depot on the $\frac{\text{last day of}}{\text{month}}$ 19 , and found by actual calculation of numbers and values, not less than 10 per cent. of the entries having been checked by me personally, that the value of each description is as stated in the margin.* Also, that I have received similar certificates from the officers in charge of the subordinate branch depots that they have similarly counted the stamps in their branch depots on the last day of the month of $\frac{\text{September}}{\text{March}}$ 19 , of which the accounts are incorporated in the head Treasury accounts, and that

they have made a similar calculation of numbers and values, and that these certificates show the value of each description of stamps in all the branch depôts to be as stated in the margin.*

which amounts agree with the balances shown in the monthly statement for September to which this certificate is attached. (If there is any difference add "with the exception of the following differences" of which is as follows.) the explanation

34. Monthly statements showing the receipts and issues of each local depôt, including the transactions of the subordinate branch depôts, shall be prepared by the officer in charge of the local depôt, and forwarded in the first week of the succeeding month to the Superintendent of Stamps, Calcutta, Madras or Bombay, or the local Superintendent or Commissioner of Stamps or other officer specified in rule 33, separate statements being prepared for General stamps, Court-fee stamps, Telegraph stamps and Postage stamps.

These statements shall show for each denomination of stamp the values of the balance in hand at the beginning of each month, of the quantities received from the Superintendent of Stamps or other officer during the month, of the quantities sold during the month, and of the balance in hand at the end of the month. The statements may be forwarded direct to the Superintendent of Stamps, Calcutta, Madras or Bombay, or the local Superintendent or Commissioner of Stamps, or through any officer named by the Local Government.

35. The statements shall be checked by the Superintendent of Stamps, Calcutta, Madras or Bombay, or by the local Superintendent or Commissioner of Stamps, or other officer specified in rule 33, by comparison with previous statements and the accounts of the central depôts, and shall be used by him to check indents and to watch the balances in the local depôts. If the monthly statements of transactions show that the balance of any kind of stamp in any local depôt is falling too low, the attention of the officer in charge should be called to the fact. To enable him to check the returns, each local Superintendent or Commissioner of Stamps or other officer specified in rule 33 will be supplied by the Superintendent of Stamps, Calcutta or Bombay, with monthly statements showing the stamps issued to and returned by the local depôts subordinate to each.

36. Treasury officers and other officers in charge of local depôts shall forward to the local Accountant-General or Comptroller such returns of the receipts and sales of stamps as the Comptroller-General may direct, in the form of *plus* and *minus* memoranda or otherwise.

37. Each Superintendent or Commissioner of Stamps or other officer specified in rule 33 shall send to the Accountant-General or Comptroller such accounts of the transactions of the central and local depôts as the Comptroller-General may prescribe.

38. They shall also every six months intimate to the Accountant-General or Comptroller for comparison with the amounts shown in the returns received from treasuries, and other local depôts under rule 36, the receipt of the certificate prescribed in rule 33, and the amount of stock certified to be in balance in each local depôt.

39. The Comptroller-General shall prescribe such rules as he considers necessary for the disposal of the accounts mentioned in the foregoing rules, and for the check of the receipts, issues and sales.

40. The Local Governments in Bengal, Madras and Bombay shall arrange for a periodical verification by counting of the stock of stamps in the respective central depôts. The verification shall be carried out in the manner and form prescribed by the Comptroller-General, to whom the result will be reported.

41. The Superintendents of Stamps, Calcutta, Madras and Bombay, shall forward every month to the Director-General of the Post Office a statement showing the balances and receipts in the central depôt and the issues to each local depôt of Postage stamps during the month. Each Superintendent or Commissioner of Stamps or other officer specified in rule 33 shall also send monthly to the Comptroller of the Post Office a statement of the sales during the past month of the several denominations of Postage stamps in the local and branch depôts subordinate to him. Each Accountant-General or Comptroller will, with his monthly account current with the Examiner of Telegraph Accounts, forward a statement showing the total realizations at each Treasury from the sales of Telegraph stamps during the month.

Supplementary rules issued by the Honourable the Chief Commissioner of Ajmer-Merwara under his Notification No. 1126, dated the 17th September, 1903.

SUPPLEMENTARY TO RULE 11.

In Ajmer-Merwara the officer in charge shall personally count with his own hands all stamps not received in sealed packets of the value of Rs. 25 and upwards. Stamps below the value of Rs. 25 which are not received in sealed packets with unbroken seals may be counted either by officer in charge or in his presence. In the case of stamps received in sealed packets marked as containing a certain number of stamps, one packet in ten of each denomination, shall be opened and counted at the time of receipt by the officer in charge or in his immediate presence. If all those counted be found correct, the remainder may be left, with seals unbroken to be counted when given out from custody, under double lock.

SUPPLEMENTARY TO RULE 13.

In Ajmer-Merwara the registers of receipts and issues of stamps from the store under double locks shall be in such form as may from time to time be prescribed by or with the sanction of the Chief Commissioner.

They shall be kept in bound books as follows :—

- | | |
|--|----------------------------|
| (1) Court-fee No. 1, one anna to Rs25. | (8) Receipt stamp. |
| (2) " No. 2, from Rs100 to Rs1,000. | (9) Foreign bill stamp. |
| (3) Non-judicial. | (10) Hundi stamp. |
| (4) Postage stamp. | (11) Share transfer stamp. |
| (5) Service stamp. | (12) Plain paper. |
| (6) Postal service. | (13) General book. |

13. If an appeal or plaint, which has been rejected by the lower Court on any of the grounds mentioned in the Code of Civil Procedure, is ordered to be received, or if a suit is remanded in appeal, on any of the grounds mentioned in section 351² of the same Code, for a second decision by the lower Court, the Appellate Court shall grant to the appellant a certificate, authorizing him to receive back from the Collector the full amount of fee paid on the memorandum of appeal:

- (d) the expression "*Licensed Vender*" means and includes every person who, for the time being, holds a license granted under these rules, to sell stamps, but does not include an *ex-officio vender*, as such, though an *ex-officio vender* may, if duly licensed, be also a *licensed vender*;

SUPPLY OF STAMPS.

II.—The supply of stamps to local and branch depôts shall be regulated by the rules made by the Governor-General in Council published in Resolution No. 1439-S. R., dated the 27th March 1895 as amended by Government of India Resolution No. 265-S. R., dated 13th June 1899, republished by the Hon'ble the Chief Commissioner, Ajmer-Merwara, in Notification No. 1350, dated 13th October 1902, or for the time being in force in that behalf, subject to the directions given in the rules next following.

NUMBER OF STAMPS WHICH MAY BE USED FOR DENOTING ANY FEE.

III.—As provided in Government of India Notification No. 361, dated 18th April 1883, amended by Government of India Notification No. 1494-S. R. of 29th March 1895—

- (i) When in any case the Court-fee chargeable is less than Rs. 10, such fee shall be denoted by adhesive stamps only.
- (ii) When in any case the Court-fee chargeable amounts to or exceeds Rs. 10, such fee shall be denoted by impressed stamps, adhesive stamps being only employed to make up fractions of less than Rs. 10.

(iii) If in any case the amount of the Court-fee chargeable involves a fraction of an anna, such fraction shall be remitted.

IV.—(i) The amount of the Court-fee to be denoted on any document shall be so denoted by the smallest number of stamps available for the purpose.

(ii) If the amount of the Court-fee to be denoted is such that it can be denoted by a single stamp and such stamp is available, it shall be so denoted.

(iii) When an impressed stamp is required to be, or can be, used to denote the whole or any part of the amount of the Court-fee to be denoted, it shall be used to denote the whole or such part of the said fee.

(iv) If the amount of the Court-fee to be denoted is such that it cannot be denoted by a single stamp, or if a single stamp of the required value is not available, a stamp of the next lower value available shall be used and the deficiency made up by the use of one or more additional stamps (the number thereof being the smallest possible with reference to the stamps which are available) of the next lower value or values so as to make up the exact amount of the Court-fee to be denoted.

(v) So far as the purchaser of Court-fee stamps is concerned, the certificate of an authorised vendor, written on any impressed stamp, of the number of stamps and the value of each stamp sold to him to make up the amount of Court-fee to be denoted in the particular case, shall be deemed to be conclusive proof that the requirements of these rules have been duly complied with.

RENEWAL OF DAMAGED OR SPOILED STAMPS.

V.—(i) Any impressed stamp, and any adhesive stamp used in combination with or affixed to an impressed stamp, which may become damaged or spoiled, may be renewed as hereinafter provided.

(ii) Any person desiring to renew a damaged or spoiled stamp may, within six months or with the sanction of the Commissioner within one year, after such stamp has become damaged or spoiled, apply to the Collector to renew the same.

(iii) Subject to the provisions of clause (i) of this rule, the Collector shall, on being satisfied that the applicant is entitled to have such stamp renewed and that the application may properly be granted, grant the application and proceed to cancel such damaged or spoiled stamp and renew the same.

(iv) All damaged and spoiled stamps cancelled under the preceding clause shall be forthwith forwarded by the Collector to the Superintendent of Stamps, Calcutta, for destruction.

KEEPING ACCOUNTS.

VI.—(i) The accounts to be kept shall be those required by rules 12, 13 and 16 of the rules made by the Governor-General in Council and published in Resolution No. 1430-S. R., dated the 27th March 1895, as amended by Resolution No. 1655-S. R., dated the 13th June 1899,

republished by the Hon'ble the Chief Commissioner, Ajmer-Merwara, in Notification No. 1125, dated the 17th September 1903.

(ii) Such further accounts shall be kept by *ex-officio* and licensed vendors as the Commissioner, Ajmer-Merwara, may, from time to time, prescribe in that behalf.

LICENSES FOR VENDOR OF STAMPS.

VII.—(i) Subject to the provisions of these rules, the Collector or other officer empowered by the Local Government in this behalf may grant a license for the sale of stamps to any person, at any place, or within any area, of any value or description. Such person, place or area, value or description, shall be specified in the license.

(ii) No person whose duty it is to cancel stamps, in accordance with the provisions of section 30 of the Court Fees Act, 1870, shall be licensed to sell stamps under these rules; and the license of any licensed vendor who accepts any appointment involving the duty of cancelling stamps, shall be deemed to have been revoked from the time of such acceptance of any such appointment, and shall be forthwith surrendered to the Collector.

(iii) The Collector may in his discretion grant a license to sell stamps to any *ex-officio* vendor, and upon such license being granted, such *ex-officio* vendor shall be also a licensed vendor within the meaning of these rules, and shall be subject to all the provisions thereof as regards the sale of stamps and his duties and remuneration as such licensed vendor.

(iv) In granting a license to an *ex-officio* vendor who is the Treasurer of a Treasury at the head-quarters of a district, the Collector may, in his discretion, by provision made in his license, authorise such *ex-officio* and licensed vendor to grant sub-licenses, for short periods and upon his own responsibility, to any person for the purpose of such person accompanying any civil officer on tour and selling stamps, while on such tour, to persons requiring them. Every person sub-licensed under this clause shall, for the purpose of these rules, be deemed to be a *licensed vendor* so long as his sub-license remains in force. Should the license of any such *ex-officio* vendor expire or be at any time revoked, every sub-license granted by him shall forthwith cease and determine.

VIII.—(i) The Collector shall cause a register of licenses granted under these rules to be maintained for the district. The register shall contain the following particulars as to each license granted :—

- (a) Date of granting the license.
- (b) Serial number for the year of the license.

(i) The date of destruction of the license.

(ii) Every vendor whose license empowers him to grant sub-licenses shall maintain a similar register of sub-licenses granted by him.

IX.—Every license and sub-license granted under these rules shall contain the particulars and conditions and be in the form specified in the form attached to these rules or in such other form as the Commissioner may, from time to time, as occasion may require, prescribe in lieu thereof.

X.—(i) Any license or sub-license granted under these rules may at any time be revoked by the Collector of the district in which it was granted, or by any Revenue authority to whom such Collector is administratively subordinate.

(ii) When any license or sub-license is revoked, or when the term for which any license or sub-license is granted expires, it shall be the duty of the person to whom it was granted or his agent or representative forthwith to surrender it to the Collector. The Collector will receive and (by encasement) cancel every such license or sub-license. Cancelled licenses and sub-licenses may be destroyed when no longer likely to be required for any purpose.

SALE OF STAMPS AND DUTIES OF VENDORS.

XI.—*Ex-officio* vendors shall supply stamps to the public and to licensed vendors.

XII.—No person other than a vendor as defined in these rules shall sell stamps.

XIII.—(i) Every vendor shall forthwith sell to any person requiring and tendering payment for the same any stamp in his possession, as such vendor, which he is authorised to sell to the public.

(ii) Every vendor shall sell stamps for the value impressed upon them and for no more.

(iii) Every vendor shall accept payment for any stamp sold by him in any currency which would be accepted on behalf of Government at a District Treasury.

Provided that no *ex-officio* vendor shall, as such, sell any stamp except upon immediate payment for the same.

(ii) Every licensed vendor may, subject to the conditions of his license and the requirements of these rules, purchase from an *ex-officio* vendor, and sell to any person, any stamp of a kind or value

permitted by his license; but no licensed vendor shall purchase any stamp from any person who is not an *ex-officio* vendor or of a kind or value not permitted by his license, or sell any stamps of a kind or value not permitted by his license, to any person.

(iii) Subject to the provisions of the rules made under section 27 (c) of the Court Fees Act (as to renewal) and the orders of the Governor-General in Council published in Resolution No. 132 of the 11th January 1888 (refunds), no licensed vendor shall obtain (by purchase, exchange or otherwise) from any person other than an *ex-officio* vendor any stamp.

XV.—(i) Every vendor shall comply with the requirements of the rules made under section 27, clause (b), of the Court Fees Act, and the directions under section 26 of the same Act which may from time to time be notified.

Provided that no such certificate shall be given by a licensed vendor in any case in which the stamp required exceeds in value the value of the sheet of highest value which such vendor is authorised to sell.

(iii) A copy of every certificate endorsed under the preceding clause shall be entered in the vendor's Vend Register.

He shall also induce the purchaser to attest the entry by his signature or thumb impression or both, and in the event of the purchaser refusing so to attest the entry of sale, the vendor shall record the fact of such refusal and, if the purchaser wishes, the reasons for the refusal.

XVIII.—No vendor shall knowingly endorse or encase on any stamp sold the name of any person other than the actual purchaser, or the person on whose behalf the stamp is being purchased; or deliver any stamp sold to any person other than the person whose name is so endorsed or encased thereon.

GOVERNMENT OF INDIA.

FINANCE AND COMMERCE DEPARTMENT.

RESOLUTIONS.

No. 132, dated Calcutta, the 11th January 1888.

Read—

Resolution of the Government of India in this Department, No. 2345, dated the 26th December 1884.

Letter to the Government of Bombay, No. 230, dated the 20th April 1885.

Letter from the Government of Madras, No. 953, dated the 30th September 1887.

Resolution.—In supersession of all existing orders on the subject, the Governor-General in Council is pleased to authorise the refund of the value of impressed Court-fee stamps and of Court-fee adhesive labels in accordance with the following rules:—

1. (a) When any person is possessed of impressed Court-fee stamps for which he has no immediate use, or which have been spoiled or rendered unfit or useless for the purpose intended, or
- (b) When any person is possessed of two or more (or, in the case of denominations below Rs. 5, four or more) Court-fee adhesive labels *which have never been detached from each other*, and for which he has no immediate use,

the Collector shall, on application, repay to him the value of such stamps or labels in money, deducting one anna in the rupee, upon such person delivering up the same to be cancelled and proving to the Collector's satisfaction that they were purchased by him with a *bona fide* intention to use them, that he has paid the full price thereof, and that they were so purchased or, in the case of impressed Court-fee stamps, so purchased, spoiled or rendered useless, within the period of six months preceding the date on which they are so delivered. Provided that Local Governments may, in special cases, allow refunds when application is made within one year from the date of purchase of the stamps or labels, or, also in the case of impressed Court-fee stamps, *within one year* from the date on which the stamps were spoiled or rendered useless. The Local Governments may at their discretion delegate this power to any subordinate authority.

NOTE.—The Chief Commissioner has delegated this power to the Commissioner, *vide* Chief Commissioner's letter No. 154—673, dated 22nd February 1888.

2. When a licensed vendor surrenders his license or dies, the Collector may, at his discretion, if he considers that the circumstances justify the application, repay to him or his representatives, as the case may be, the values of stamps and labels, not spoiled or rendered unfit for use, returned into the Collector's store, deducting one anna in the rupee: or he may issue stamps and labels of other values in exchange, provided that, in the case of adhesive Court-fee

labels, their value may not be refunded, or stamps and labels of other values issued in exchange, unless, in cases where the value of each label is not less than Rs. there are at least two such labels which have never been detached from each other; and in cases where the value of each label is less than Rs. unless there are at least four such labels which have never been detached from each other.

3. When adhesive labels are attached to impressed sheets of Court-fee stamps in accordance with the directions contained in Notification by the Government of India in this Department, No. 361, dated the 15th April 1883, such labels should be regarded as impressed stamps for the purposes of refund under these rules.

No. 1763, dated Simla, the 24th July 1873.

The Governor-General in Council has recently had under consideration the best method of cancelling adhesive Court-fee labels so that they may not be fraudulently used again.

2. Under Act VII of 1870, section 30, Court-fee labels are cancelled by punching out the figure head. But this does not perhaps afford sufficient protection, and pending further consideration of the subject the Governor-General in Council directs that the Record-keeper of every Court shall, when a case is decided and the record consigned to his custody, punch a second hole in each label distinct from the first, and note the date of his doing so at the same time. The second punching should not remove so much of the stamp as to render it impossible or difficult to ascertain its value or nature.

ORDER.—Ordered that the foregoing Resolution be communicated to the several Local Governments and Administrations.

No. 3947, dated Simla, the 5th September 1883.

RESOLUTION.—It was directed in Financial Resolution No. 1763, dated 24th July 1873, that the Record-keeper of every Court shall, when a case is decided and the record consigned to his custody, punch a second hole in each label distinct from the first, which is prescribed by section 30 of the Court Fees Act, and note the date of doing so at the same time.

These directions apply only to adhesive labels used under the Court Fees Act. Impressed stamps used for denoting Court fees need not be cancelled or punched otherwise than as required by section 30 of the Court-fees Act.

Ordered that the foregoing Resolution be communicated to the several Local Governments and Administrations for information and guidance. Ordered also that a copy of the Resolution be forwarded to the Registrar of the High Court, Calcutta, for information, with reference to his letter No. 1988, dated 16th July 1883.

ORDERS BY THE HONOURABLE THE CHIEF COMMISSIONER OF AJMER-MERWARA.

NOTIFICATION—No. 1128, dated 17th September 1903.

The following rules are issued under section 30 of the Court Fees Act, VII of 1870, to regulate the cancellation of Court-fee stamps in the Courts in Ajmer-Merwara:—

Cancellation when to be effected.

I.—Cancellation of Court-fee stamps shall be effected,—

- (a) when a document bearing a Court-fee stamp is received by a Court competent to receive the same;
- (b) when a Court-fee stamp is paid in as a process fee;
- (c) when a Court-fee stamp is affixed to a document issued by any Court or office;
- (d) when the record of a case in which Court-fee stamps have been filed is finally made over to the Record-keeper for safe custody.

II.—In the case of stamps falling under clauses (a) and (b), can-

Cancellation by whom to be effected.

cancellation shall be effected immediately on receipt of the document or stamp,

by such officer as the Court may, from time to time, appoint in writing in the manner prescribed by section 30 of the Court Fees Act. As an additional precaution, the signature of the cancelling officer with the date, shall be written across each label at the time of cancellation, in durable ink.

III.—In regard to stamps on documents falling under clause (c), the Government of India have directed, in Financial Department Resolution

Mode of effecting cancellation.

No. 3373, dated the 24th September, 1875, that the Court or office issuing copies, certificates, or other similar documents liable to stamp-duty under the Court Fees Act shall, before issue, cancel the labels affixed to them by punching out a portion of the label in such a manner as to remove neither the figure-head nor that part of the label on which its value is expressed, and that, as an additional precaution, the signature of the officer attesting the document, with the date, shall be written across the label, and upon the paper on either side of it.

IV.—The rules for the cancellation of Court-fee stamps by the

Cancellation by Record-keeper.

Record-keeper are contained in a resolution of the Government of India

in the Financial Department, No. 1763, dated the 24th July, 1873, in which it is ordered that the Record-keeper of every Court shall,

when a case is decided and the record consigned to his custody, punch a second hole, or, in the case of stamps falling under clause (c), rule I of these rules, a third hole, in each label, distinct from the first, *and note the date of doing so at the same time.* Special attention is requested to the words in italics, as the direction therein contained is not always complied with. The Record-keeper's punching should not remove so much of the label as to render it impossible or difficult to ascertain its value or nature.

V.—Whenever the custody of a record containing Court-fee stamps is transferred from one official to another before final disposal, the receiving officer shall examine the Court-fee stamps in the file, and either certify on the index of papers that they are complete, or immediately bring to notice any deficiency, as the case may require.

VI.—Record-keepers will be held personally responsible that the stamps on files under their charge are complete, and that they have been duly cancelled in accordance with the above instructions. Should a file be sent into the record-room in which the stamps are incomplete or not duly cancelled, the Record-keeper shall report the circumstance at once to the head of the office, and shall defer entering the case in its appropriate register until orders have been passed in the matter.

VII.—When a record containing Court-fee stamps is taken out of the record-room for any purpose, each official through whose hands the file passes must note on the index of papers, or on the list of files, where such a list is with the file, that he has examined the Court-fee stamps in the file, and that they are complete, or, if they are not complete, at once report the fact for orders.

From the First Assistant to the Chief Commissioner, Ajmer-Merwara, to the Commissioner, Ajmer-Merwara, No. 166C, dated Ajmer, 9th March 1885.

With reference to your letter No. 786-J, dated the 3rd December 1884, I am directed to point out that the existing practice of levying Court-fees on petitions presented by the relations, friends or pleaders of prisoners in civil and criminal cases is irregular and should be discontinued. No distinction need be made under section 19, clause 17, of the Court Fees Act, between petitions received from prisoners themselves and petitions presented on their behalf as above, it being of course assumed that no such application is accepted unless the Court receiving it is satisfied that the application is presented on behalf of the prisoner represented.

CIRCULAR No. 1225-G, DATED 25th MARCH 1884.

TO

THE ASSISTANT COMMISSIONERS, AJMER AND MERWARA.

SIR,

I have the honor to request that the officers presiding over Civil Courts in the Ajmer-Merwara District may be directed not to levy process fees in future on proclamations for the sale of property in execution of decrees.

2. If any expenses are incurred in the proclamation of sale, as for instance by advertising in the newspapers, etc., such expenses must be met from the sale proceeds of the property sold under section 259 of the Civil Procedure Code.

3. Process fees may be levied as heretofore on Warrant of Sale.

SUITS VALUATION ACT, 1887.

RULES UNDER SECTION 9 OF THE SUITS VALUATION ACT, 1887.

No. 363-719, dated the 7th June 1888.

Whereas the subject-matter of the following classes of suits does not admit of being satisfactorily valued, the Chief Commissioner of Ajmer-Merwara is pleased to direct, in supersession of Notification No. 1111-710, dated the 10th September 1887, published at page 529 of the *Gazette of India*, Part II, of 17th *idem*, that they shall be treated for the purpose of the Court Fees Act, 1870, and of the Suits Valuation Act, 1887, and the Ajmer Courts Regulation, 1877, as if their subject-matter were of the value hereinafter stated.

(1) Suits in which the plaintiff in the plaint asks for a decree against the other party to the alleged marriage either alone, or with other defendants for restitution of conjugal rights, or for a decree for the recovery of a wife.

(2) Similar suits for a decree establishing, or annulling, or dissolving a marriage.

¹ See *Gazette of India*, Part II, 1883, p. 473.

(3) Suits in which the plaintiff in the plaint asks for a decree establishing a right to the custody or guardianship of a minor, including guardianship for the purpose of marriage.

(4) Suits in which the plaintiff in the plaint asks for a decree establishing or annulling an adoption, including under the expression "adoption" the customary appointment of an heir.

VALUE.—The value of suits of these four classes shall be deemed to be as follows:—

(a) For the purpose of the Court-Fees Act—

Suits of class 1, Rs. 100.

Suits of classes 2, 3, and 4, Rs. 200.

(b) For the purpose of Suits Valuation Act, 1887, and the Ajmer Courts Regulation, 1877, such sum exceeding Rs. 500, and not exceeding Rs. 1,000, as the plaintiff shall specify in the plaint.

(5) Suits by a plaintiff during the lifetime of a person alleged to have a restricted power of alienation in respect of immoveable property, in which the plaintiff in the plaint seeks to have an alienation of immoveable property made by such person declared to be void except for the life of such person or for some other determinate period.

VALUE.—When the alienation is by a written instrument which declares the value of the interest purporting to be created, or the amount of the consideration for which the alienation is made, such value or amount. In other cases the value, at the date of institution of the suit, of the property alienated.

EXPLANATION.—When a property alienated is a right of occupancy in land, the value shall be deemed to be half the value of the land discharged from such right of occupancy.

(6) Suits in which the plaintiff in the plaint asks for accounts only, not being suits for the amount which will be found due to the plaintiff on taking unsettled accounts between him and the defendant, or suits of either of the kinds described in section 213, Civil Procedure Code.

(7) Suits in which the plaintiff in the plaint seeks to establish or to negative any right hereinafter mentioned with or without any injunction, and with or without damages, *viz.*, a right of way; a right to open, or maintain, or close a door or a window or a drain or a water shoot (*pranala*); a right to or in a watercourse or the use of water; a right to build, or raise, or alter, or demolish a wall or to use an alleged party wall or joint staircase.

VALUE—

(1) If damages are not claimed, such amount exceeding Rs. 100, and not exceeding Rs. 500, as the plaintiff may state in the plaint.

(2) If damages are claimed, the amount of such damages increased by Rs. 100.

Explanation to the foregoing rules:—

(1) The term "plaint" includes an amended as well as an original plaint.

- (2) Classes 1 and 2 do not include petitions under any special Act relating to the dissolution of marriage.
- (3) Class 3 does not include proceedings under Act XIII of 1874.
- (4) A suit falling within any of the above descriptions shall not be deemed to be excluded therefrom merely because the plaint also seeks additional relief, which is capable of valuation.

PAPER JUDICIAL.

1 Chief Commissioner's Notification No. 65-313 A, dated Abu, the 7th February 1895.

The Chief Commissioner of Ajmer-Merwara having decided to reduce the price of the paper used for judicial petitions and copies of judicial documents from four pias a sheet to three pias a sheet, from the 1st April 1895, is pleased to issue, with effect from that date, the following notification, in supersession of that dated the 6th May 1881, and published in Part II of the *Gazette of India*, dated the 14th May 1881:—

The following rules for regulating the supply by the Stationery Depot at Calcutta of paper of a standard pattern for judicial petitions and copies of judicial documents, the custody and sale of such paper, and the credit of the sale-proceeds to Government, are issued for information and guidance.

2. From the 1st April 1895 no other description of paper shall be used for copies of documents (whether in English or the vernacular) supplied to private parties by judicial officers, and from that date all licensed petition writers practising in the Courts of the Ajmer and Merwara district will be required to use this paper only.

3. In the case of copies supplied on payment of fees, the cost of the paper will be defrayed by the copyist; in the case of copies supplied by Government free of cost, no charge will be made for the paper, but the paper used for such copies must be duly accounted for in the annual statement prescribed by Rule VI.

4. The Assistant Commissioner, Ajmer, will carefully supervise the working of the arrangement in order to prevent vendors of the paper demanding more than the fixed price of three pias per sheet:—

- I. Paper required for judicial petitions and copies of judicial documents shall be obtained from the Stationery Depot at Calcutta by annual indent.
- II. Requisitions for the paper shall be in the form prescribed for indents for Stationery, and shall be submitted to the Commissioner of Ajmer by the Assistant Commissioners of Ajmer and Merwara not later than the 15th November in each year.
